RS PRO Work Gloves

RS Stock No.: 0218542, 0218540

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

ESD safe gloves are manufactured from an elastic, non-bright processed fabric containing a continuous filament knitted with a carbon core.

These lightweight gloves provide excellent control, preventing slipping when handling awkwardly shaped items, making them ideal for electrostatic-sensitive environments Suitable for use within an EPA
