RS PRO 2 Door Steel Lockable Floor Standing
Storage Cabinet, 1820 x 915 x 505mm

RS Stock No.: 349-9762

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

- *RS PRO is proud to introduce a floor standing storage cabinet that can be tailored to your specification for storing materials, tools, or personal items. We recognise that cabinet storage is very important and personalising cupboard space ensures you know where your tools or equipment are located. Our offer is sure to impress, giving you control on the design specs which can be adapted as and when you require.*
- *What do you get?*
- *The storage cabinet works from our base product which is the RS PRO 2 door steel lockable floor standing storage cabinet. A multi-configuration storage cupboard capable of being fitted with a range of internal shelves and dividers to create the desired number of storage compartments. You will receive: •   RS Stock no: 349-9762*
- *Double storage cupboard shell*
- *Lockable doors stiffened for strength and security*
- *Full-height door handle with magnetic a catch*
- *3-point locking system, deadlock, and 2 keys*
- *Note: Shelves and dividers kits are not supplied with this offer but can be purchased separately (please see below).*
- *Compatible Accessories Available Separately*
- *To make optimum use of this cabinet complete your ideal storage cabinet by choosing from our selection of compatible shelf and divider kits;*
