**FOOD CONTACT
COMPLIANT**
EU 10/2011

**HIGH WEAR &
SCRATCH RESISTANCE**

**LOW MOISTURE
ABSORPTION**
<0.01%

**WIDE TEMPERATURE
RANGE**
-100°C to +80°C

**IMPACT RESISTANT
FOR DEMANDING USE**

CHEMICAL RESISTANT
to common cleaning agents
and industrial chemicals

**SMOOTH, EASY-CLEAN
NON-POROUS SURFACE**

**AVAILABLE WITH OR
WITHOUT JUICE GROOVE**

FOOD PROCESSING

- Commercial kitchens
- Food production
- Meat, fish & poultry
- Bakeries & confectionery
- Catering & hospitality

MECHANICAL ENGINEERING

- Machine shop surfaces
- Fabrication & assembly
- Wear pads & guides
- Material handling
- Manufacturing environments

BUILDING & CONSTRUCTION

- Durable cutting surfaces
- Workbench protection
- Site workshops
- Maintenance areas
- General fabrication

ONE RANGE. MULTIPLE INDUSTRIES.

TRUSTED RS PRO PERFORMANCE.
