

## Nex - Unified Wheels

Unified Wheels Norton-Nex-76.2x6.35x6.35#FINE

Artical Number: 63642571113

EAN: 8711479430336

### Description

Unitised wheels are made from compressed and bonded layers of nonwoven abrasive. Applications include deburring, cleaning composites, and sharp edge removal. Unitised wheels produce excellent finishes on nearly all surfaces, although are ideally suited for use on harder materials such as titanium or stainless steel.

### Features

Easily preformed, holds shape well  
Uniform construction  
Smear resistant formula  
New light density formulation in 2SF and 3SF  
Non-metallic, small sizes available

### Benefits

Usable on a wide variety of shapes/contours  
Less wheel dressing, more snag resistant  
No contamination of workpiece  
Long life. Maintains part tolerance, prevents cutting or gouging

### Application Data

Material Application: STEEL  
Machine: Straight grinder  
Process: Blending  
Equipments:
