RS Pro 190mm Standard Aluminium Solder Sucker with PTFE Nozzle

RS Stock No: **479-4197**

Product Details

RS Pro 190 mm standard solder sucker with PTFE nozzle, provides efficient solder removal and joint dis-assembly. The fast sucking action is effected via a spring loaded piston, released by a push button and quickly re-primed by plunger. This aluminium desoldering pump has flexible nozzle for ease of operation.

Features and Benefits

- Aluminium construction
- Provides efficient solder removal and joint dis-assembly
- Fast sucking action is effected via a spring-loaded piston, released by a push button and quickly re-primed by plunger

Specifications:

Body Material	Aluminium
Length	190 mm
Nozzle Material	PTFE
Size	Standard
