Appliance Oven Tubular

Product Description

- Tubular vacuum lamps with clear glass (T-bulb)

Product Benefits

- Reliable operation when used in special lampholders at high oven temperatures (up to 300 °C)

Product Features

- Coiled-coil filament
- Manufactured with heat-resistant solder, getter and lamp-base cement

Application

- Electrical and standard ovens, rotisseries and similar places subject to high operating temperatures
- Available for specific oven luminaires fitted in different positions such as downlighter, side-light and backlight
