

cylindrical fuse holder 10 x 38 mm, 3-pole In: 32 A,Un AC: 690 V

| Model                                   |                          |
|-----------------------------------------|--------------------------|
| product brand name                      | SETRON                   |
| product designation                     | Cylindrical fuse holder  |
| General technical data                  |                          |
| number of poles                         | 3                        |
| size of fuse link                       | 10 x 38 mm               |
| Supply voltage                          |                          |
| operating voltage                       | 690 V                    |
| • at AC rated value                     |                          |
| protection class IP                     | IP20                     |
| Mechanical Design                       |                          |
| height                                  | 81 mm                    |
| width                                   | 54 mm                    |
| depth                                   | 64 mm                    |
| Net Weight                              | 169.8 g                  |
| Certificates                            |                          |
| reference code according to IEC 81346-2 | F                        |
| Approvals Certificates                  |                          |
| Environment                             | General Product Approval |
