

PRODUCT CHANGE NOTICE

PCN

PCN Reference	PCN-IS-2026-001
Issue Date	May 1, 2026
Manufacturer	Industrial Shields by Boot & Work Corp, S.L.
Contact	Ramon Boncompte — rbt@industrialshields.com — +34 699 22 36 95

1 — Change Description

Type of change: Part Number (Manufacturer Part Number / MPN) Update
Product family: NEXTuino Industrial PLC Controllers (formerly listed under Controllino-compatible references)
Reason: Migration to a standardised 12-digit internal coding system to improve traceability, scalability, and product line management. The NEXTuino brand replaces previous Controllino-compatible references. The name "Controllino" is a registered trademark no longer authorised for use by Industrial Shields.

2 — Impact Assessment

Property	Status
Form	No change
Fit	No change
Function	No change
Hardware revision	No change
Software / Firmware	No change
Pricing	No change
Lead time	No change
Country of origin	No change

This is a part number update ONLY. No physical, electrical, or functional changes have been made to any product.

3 — Part Number Mapping

121.001.10	NEXTuino BASE – Screwable – RS-485	042001000100
121.001.11	NEXTuino BASE – Screwable – CAN	042001000200
121.011.10	NEXTuino BASE – Screwless – RS-485	042001000300
121.011.11	NEXTuino BASE – Screwless – CAN	042001000400

4 — Brand Name Note

All product listings, titles, and descriptions must use the NEXTuino brand name exclusively. The name "Controllino" must not appear in product titles or main descriptions.

Distributors may reference "Controllino compatible" in supplementary notes or additional description fields.

5 — Effective Date

Effective date: May 1, 2026

Distributors are requested to update their listings as soon as possible.

6 — Customer Action Required

- Update all product listings to reflect the new MPNs listed in Section 3.
- Replace any reference to "Controllino" in titles or descriptions with "NEXTuino".
- Download updated NEXTuino-branded datasheets from nextuino.com.
- Contact Industrial Shields if any part number in your catalogue is not covered by this PCN.
