

## Datasheet

### Type E - French 8 Gang DC Power Socket 2.5m Cable, 16A

Stock Number: 755-3952

## Description

1U 8 sockets power distribution panel with lighted master switch PDU allow securized power distribution for all types of electrical, electronical, data systems devices etc.

## Specifications

- Socket type : NFC61-314 (socket 2)
- Socket quantity : 8
- Cable specification : Cable HO5VVF 3G 1.5 with DIN 49441 16 Plug, 2.5M
- Function : lighted master switch
- Product size : LxWxH = 482.6 x 44.4 x 46.5 mm
- Vertical and horizontal mounting
- RoHS
