

FEATURES

- **UV Resistant:** Ensures longevity and performance in outdoor applications
- **18 kg Tensile Strength:** Provides robust support for securing cables
- **Nylon Material:** Offers flexibility and strength
- **150 mm Length:** Suitable for a variety of bundling needs
- **3.6 mm Width:** Balances strength and flexibility for diverse applications
- **Black Colour:** Discreet appearance suitable for professional settings
- **UL 94HB Fire Behaviour:** Meets safety standards for flammability

RS PRO UV Protected Cable Tie, 18 kg Tensile Strength

RS Stock No: 656-026

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO UV Protected Cable Ties are designed for securing and organising cables in various environments. With a tensile strength of 18 kg, these cable ties provide reliable performance in both indoor and outdoor settings. The UV protection ensures durability even in direct sunlight, making them ideal for long-term use.
