

KLEENGUARD® A10 Product Description

Intended Use

KLEENGUARD A10 Light Duty garments*

- *CE Simple*
- *Suitable for office cleaning, goods handling and light duty tasks.*
- *Protects against dirt and grease, ideal for comfort and hygiene.*

Product Description

Kimberly-Clark has invested in materials and garment designs specifically to offer the user the ideal combination of durability with comfort.

The fabric

KLEENGUARD A10 Garments are made from polyolefin nonwovens. The fabrics have been developed to suit light duty challenges of industrial applications.*

The seams (product specific)

To provide high strength serged seams are used with triple overlock stitching.

The zip (product specific)

Top quality components are used such as full-length zips with stoppers to prevent strain.

Silicone free

All components are carefully selected and specified as silicone free – an important reassurance for anyone working with paint or sensitive surfaces.
