RS PRO ESD Grounding

RS Stock No.: 0218638

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Mid steel, with bright zinc and passivate finish. Press studs create earth grounding points on bench and floor mats for ease of connection to ground cord. For effective use, these should be riveted through the matting material.
