

FEATURES

- **3mm Thickness:** Provides a sturdy and durable surface suitable for various applications
- **1200mm Length and Width:** Offers ample coverage for large projects, reducing the need for multiple pieces
- **3 H Hardness:** Ensures resistance to scratches and wear, maintaining a pristine appearance over time
- **140 N/mm² Tensile Strength:** Delivers high strength for demanding applications, ensuring structural integrity
- **RoHS Compliant:** Meets environmental and safety standards, ensuring safe use in various settings
- **Red Colour:** Provides a visually striking finish, ideal for decorative and functional purposes

RS PRO 3mm Solid Aluminium Sheet, 1200mm Length

RS Stock No: 676-885

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Solid Aluminium Sheet is designed for versatile industrial applications where durability and precision are paramount. This 3mm thick sheet is ideal for use in environments requiring robust materials, offering excellent tensile strength and hardness for reliable performance.

General Specifications

Adhesive Backing	No
Colour	Red
Density	3.5 kg/m ²
Product Type	Solid Aluminium Sheet
Suitability	Cladding, Fascia Panels, Folded Parts, Photo Mounting, Shop Front Signage, Sign Tray
Tensile Strength	140 N/mm ²

Mechanical Specifications

Hardness	3 H
Length	1200 mm
Thickness	3 mm
Width	1200 mm

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, Euroclass D-s2 to DIN EN 13501-1 7 B2 to DIN 4102-1, RoHS
