VELOBAR10PLI

Folding bike barrier rack

Practical and versatile, this mobile and self-supporting bike rack allows storage of up to 10 bicycles. Foldable and easy to transport, it is ideal for events, temporary installations or occasional needs. Robust and functional, it offers different width configurations and can accommodate a signage panel thanks to its mounting plates.

Customs code	73269098
EAN	3321360109521
