## RS PRO FTTH Terminal Box

RS Stock No.: 0143848

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

*The fibre optic faceplate is able to hold up to 1 subscriber. It is used as a termination point for the drop cable to connect with patch cable in FTTH indoor application. It integrates fibre splicing, termination, storage, and cable connection in one solid protection box.*
