

54V XR FLEXVOLT 216mm Mitre Saw – 2 X 6Ah

DCS777T2-QW

XPS Shadow line cut indicator provides fast accurate alignment of the blade while illuminating the work piece for increased productivity

54V motor provides power and runtime for demanding construction applications

Built on classic pull saw design improved and updated for the modern user
Compact internal rail design for huge cutting capacity in a highly transportable format

New head lock function allows the head to be fixed, restricting the traverse function for trim applications and ease of transportation

Sound Pressure	93 dB(A)
----------------	----------

Uncertainty K 1 (Vibration)	1.5 m/s ²
-----------------------------	----------------------

Weight (incl. battery)	15 kg
------------------------	-------

Battery Chemistry	Li-Ion
-------------------	--------

Battery Capacity	6 Ah
------------------	------

Power Source	Cordless
