RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Use these padlocks to secure your valuables. RS PRO combination padlocks have a solid aluminium body with anodised coating and a 6 mm thick shackle. Incorporated into the design is a 3-digit code system that allows you to reset your personal code at a time of your choosing. Combination padlocks are a safety accessory ideal for lockers, cabinets, toolboxes, and enclosures. With a choice of colours, you can create a colour code identification system.
