

FEATURES

- **2:1 Shrink Ratio:** Ensures a tight and secure fit around cables and wires
- **Polyolefin Material:** Provides durability and resistance to abrasion and chemicals
- **Halogen-Free:** Reduces toxic emissions in the event of a fire
- **REACH and RoHS Compliant:** Meets key safety and environmental standards
- **12.7 mm Sleeve Diameter:** Suitable for a wide range of cable sizes
- **1 m Sleeve Length:** Offers flexibility for various applications

RS PRO 2:1 Grey Heat Shrink Tubing, 12.7 mm Diameter

RS Stock No: 671-556

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO heat shrink tubing is designed to provide reliable insulation and protection for electrical connections. With a shrink ratio of 2:1, it effectively reduces in size to fit snugly around wires and cables, ensuring a secure and durable fit. The tubing is made from polyolefin, offering excellent resistance to environmental factors and mechanical wear.

General Specifications

Colour	Grey
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	6.4 mm
Sleeve Diameter	12.7 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
