

uvex

uvex hearing protection uvex xact-fit reusable XL

Product Features

- Easy, fast and accurate insertion
- Oval-shaped earplugs mimic the natural shape of the ear canal for a low pressure fit and enhanced comfort
- Ergonomically shaped stems make fitting easy, hygienic, accurate and achieves a high level of wearer comfort
- Large size suitable for those with larger ear canals
- Medium protection capacity for excellent speech and signal recognition for easy communication
- No rolling required, so they can be used with dirty hands or while wearing gloves
- Smooth, dirt-repellent surface can be easily cleaned using mild soap and water
- Thanks to an adjustable cord the earplugs can be worn comfortably around the neck so they're always conveniently to hand
- Cost-effective and environmentally conscious choice

26dB

The SwedSafe company, which is part of the uvex Group, leaves only a small carbon footprint. No fossil fuels are used in production and 100% of the electricity required comes from renewable sources. To promote biodiversity at the site, natural grasslands/meadow landscapes and additional flowering plants have been created to provide more insect habitats. SwedSafe is certified to ISO 14001 environmental management.
