

# Rotary Hammer LXT®

## DHR202

18V • SDS-PLUS • 20 mm • 2.0 J

### Professional three-mode rotary hammer

An efficient rotary hammer for SDS-PLUS bits with an anti-vibration handle. Suitable for impact and unstressed drilling, plus chipping. Speed range of 0 – 1 100 min<sup>-1</sup>. Impact energy of 2.0 J and max. drilling capacity of 20 mm in concrete.

### Technical specifications

|                                             |                            |
|---------------------------------------------|----------------------------|
| Nominal Battery Voltage                     | 18 V                       |
| Voltage LXT                                 | ✓                          |
| Battery Chemistry (Ni-Cd / Ni-MH / Li-ion)  | Li-ion                     |
| Impact Energy                               | 1,9 J                      |
| Optimum Drilling Diameter Range in Concrete | 4 - 12 mm                  |
| Max. Drilling Diameter in Concrete          | 20 mm                      |
| Max. Drilling Diameter in Wood              | 26 mm                      |
| Max. Drilling Diameter in Steel             | 13 mm                      |
| Impacts per Minute (IPM)                    | 0 - 4000 min <sup>-1</sup> |
| No load speed                               | 0 - 1200 min <sup>-1</sup> |
| Drilling diameter with TCT core bit         | 54 mm                      |
| Adapted for SDS-PLUS bits                   | ✓                          |
| Tool weight with battery                    | 3,2 - 4,0 kg               |
| Electronic brake                            | ✓                          |
| Vibration Level, Hammer Drilling Into       | 15,1 m/s <sup>2</sup>      |

### User benefits

- Battery protection system automatically shuts off power when the battery level is low
- LED light illuminates the work site
- 3-Mode operation for "Rotation Only", "Hammering with Rotation" or "Hammering Only" for multiple applications
- Reversing switch
- Reversing switch is conveniently located
- Compact and lightweight for reduced operator fatigue
- One touch sliding chuck enables quick and easy bit changes
