Build. Play. Learn. Code

The Sphero Mini Activity Kit has everything you need to get rolling. Use the Construction Set, accessories and Activity Cards to complete all the challenges and games and then create your own fun. Drive and game with the Sphero Play App or code and learn with the Sphero Edu App. Where will your imagination take you?

KEY FEATURES & BENEFITS

Fun-Filled Hands-On Learning

The Sphero Mini Activity Kit has everything you need to get rolling and playing. Each Kit comes with a clear-shelled Sphero Mini, construction set, activity cards, bowling pins, and cones to build mazes, design obstacles, construct towers, and more.

Drive Modes

Control your Mini with the Sphero Play app. Drag and drive with Joystick mode, pull back and release with Slingshot mode or tip and rotate with Tilt mode. Use the construction pieces and Activity Cards to open up unlimited possibilities for driving and playing.

Play Games

Use Mini as a game controller for arcade-style games in the Sphero Play app. Get even more creative by following the guided challenges and games on the Activity Cards to inspire your creativity and test your skills.

Learn to Code

Use the Blocks drive mode to give your Mini basic drag and drop coding commands or download the Sphero Edu app for more ways to program Mini, including JavaScript & Swift.

ACTIVITIES

Wrecking Ball

Build a tower and knock it down. All you have to do is break the walls.

Bot & Weave

Send Mini through all four arches like an Olympic skier.

A-Maze Balls

Use your creativity to construct your first cool course.
