

3M™ Flap Disc 566A, 180 mm, P40, Flat, PN65045

3M ID 7000104476, UPC 05902658650451

- Flap discs allow one-step grinding and blending, saving time and cost
- Alumina zirconia self-sharpenes and provides extended life and more cutting power than aluminum oxide, reducing replacement costs
- Strong, Y-weight polyester-cotton backing offers flexibility and supports fast cut on medium to high pressure grinding and finishing applications
- Quick change disc simplifies disc changes and does not require hand tools
