RS PRO HDMI To Composite Converter

RS Stock No.: 0834593

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The HDMI to AV signal converter converts a HDMI video and audio signal into a CVBS Composite video (standard definition 480i, 576i) with left and right stereo audio signals. This allows a HDMI source device to be connected to screens and TVs that support NTSC and PAL input formats.

General Specifications

Video Input	HDMI
Video Output	Composite (3x RCA)
Maximum Resolution	480i / 576i

Approvals

Standards Met	CE UKCA REACH ROHS
