Specifications

## Plier, Linergy TR, For cables from 10 to 35 mm²

AT1PA4

### Main

|                                       |                         |
|---------------------------------------|-------------------------|
| Range of product                      | Cable ends              |
| Accessory / separate part category    | Cabling accessories     |
| Accessory / separate part designation | Cable end crimping tool |
| Accessory / separate part type        | Plier                   |
| Accessory / separate part destination | Cable from 10 to 35 mm² |

### Complementary

|                |         |
|----------------|---------|
| Product weight | 0.21 kg |
|----------------|---------|

### Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type of Package 1       | PCE      |
| Number of Units in Package 1 | 1        |
| Package 1 Height             | 3.0 cm   |
| Package 1 Width              | 6.0 cm   |
| Package 1 Length             | 23.0 cm  |
| Package 1 Weight             | 236.0 g  |
| Unit Type of Package 2       | S01      |
| Number of Units in Package 2 | 20       |
| Package 2 Height             | 15.0 cm  |
| Package 2 Width              | 15.0 cm  |
| Package 2 Length             | 40.0 cm  |
| Package 2 Weight             | 4.941 kg |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

### Use Better

| Materials and Substances               |                                                                                                                                       |
|----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Packaging made with recycled cardboard | Yes                                                                                                                                   |
| Packaging without single use plastic   | No, we have minimized the use of plastic in the packaging in compliance with regulations and considering quality and safety standards |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                                                                             |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a>                                                           |
| Halogen-free status                    | Halogen free plastic parts product                                                                                                    |
| PVC free                               | Yes                                                                                                                                   |
| Silicone-free                          | Yes                                                                                                                                   |

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture        |                                          |
|---------------------------------|------------------------------------------|
| End of life manual availability | No need of specific recycling operations |
| Take-back                       | No                                       |
