## USB 3.0 in a colourful design.

Kingston's DataTraveler® Generation 4 (DTIG4) USB Flash drive features USB 3.0 for quick and easy transfers of music, video and more. Its practical design and fashionable colours make it ideal for everyday use at work, home, school or wherever you need to take your data.

It's backwards compatible with existing USB 2.0 ports, allowing 2.0 users to migrate to 3.0 in the future without replacing their drive.

DTIG4 is backed by a five-year warranty, free technical support and legendary Kingston® reliability.

- 
- › Available in multiple colours by capacity
  - › Large, colourful loop easily attaches to key rings
  - › Practical cap protects the USB plug and your data

<sup>1</sup> Conditions apply; contact your local sales representative.

<sup>2</sup> Some of the listed capacity on a Flash storage device is used for formatting and other functions and is not available for storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Guide at [kingston.com/flashguide](http://kingston.com/flashguide).

<sup>3</sup> Requires a host device with a USB 3.0 port.
