

Features

- Static safe field service engineers kit
- Material: 2 layer embossed vinyl
- Weight: 350g
- Thickness: 0.6mm
- Surface Resistivity: $>1 \times 10^6 < 1 \times 10^8 \Omega$
- Min/Max Temp Range: -5°C to 40°C

RS PRO ESD Workstation Kit

RS Stock No.: 0707118

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO ESD Workstation Kit

This field kit from our RS PRO range has all the equipment you need to turn your worktop into an effective ESD (electrostatic discharge) workstation.

When working with electronic equipment, it's important to prevent ESD as it can impair the performance of electronic components. This kit creates a temporary ESD-protected area when assembled, allowing you to work with sensitive electronic devices without causing them any damage.

ESD Workstation Kit Contents:

- 1 x Red Pouch
- 1 x Mat (Size: 590 x 590mm)
- 1 x Fabric Wrist Band
- 1 x Coiled Earth Lead (10mm – Banana)
- 1 x Straight Earth Lead (Banana socket with croc clip to double banana socket)
- 1 x Swiss bonding plug
