RS PRO Black Retractable Bollard, Extendable Barrier

RS Stock No.:829-9062

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO range of safety barrier posts with retractable belt. The barrier posts are ideal for closing off areas quickly and easily. This is a sturdy, durable and easy to use temporary barrier system based on 1000 mm high posts with heavy base and retractable 48 mm wide webbing which simply locks to the next unit.
