RS PRO Metal Storage Bin Cabinet, 2000mm x 1015mm, Blue, Grey

RS Stock No.: 424-5421

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Lockable storage cupboards in 3 sizes that will accept stack and nest polypropylene bins, but which may be used without bins for the storage of general items. In 20 gauge steel, finished in epoxy-polyester powder paint. Cabinets are supplied without storage bins to allow the user to select their own configuration. Secure key operated 3 point locking doors with recessed handle. All cabinets are supplied with steel shelves which are adjustable on 50mm centres. Extra shelves available in packs of 3.
