RS PRO 1m OS2 9/125 LC Yellow Pigtail - 10 Pack

RS Stock No.: 0839386

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Fibre optic pigtails are typically used to be spliced. The connector side of the pigtail is used to link the equipment, while the other side is fusion spliced together with the fibre cable. By splicing together the fibre glasses, it can reach a minimum insertion loss.
