

## Datasheet

# 8 pole Speakon Equivalent Loudspeaker Cable Connector, 30A 250vAC

Stock No: 2085177

## Technical Specifications:

Model:	2085177 :
No. of Poles	8
Length	81mm
Insulation Material	ABS
Current Rating per Contact	30A
Voltage Rating	250V
Contact Plating	Brass plated
Colour	Black/Blue
Connector Type	Speakon
Connector Format	Plug
Gender	Male
Termination Method	Screw

## Features & Benefits:

- Speakon Plug
- 8 pole Male
- Application: Pro Audio, Musical Instruments

This RS PRO 8-pole Speakon equivalent loudspeaker cable connector is compatible with the industry-standard Neutrik connectors found on pro-audio speakers and amplifiers. Also referred to as 'speaker twist connectors', these loudspeaker plugs feature robust plastic housing and the standard Neutrik chuck-type twist-to-lock mechanism.
