RS PRO Safety Knife with Auto-retractable Blade

RS Stock No.: 0286452

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Its auto-retractable blade withdraws into the tool's handle as soon as the knife leaves a working surface, reducing the risk of injury or damage to nearby objects. The knife has an ergonomic plastic handle that makes it comfortable to use for long periods of time. A metal abrasion protection shield also helps to minimise wear and tear, increasing the knife's service life.
