RS Stock No.: 173-3530

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

From the trusted brand RS PRO, comes a high quality Male Micro USB B to Bare Wire USB Cable. This open end USB cable has been designed with personal preference in mind as one end is micro USB and the other can be fitted to a plug adapter of the users choice. This in turn, allows the device on the other end of the connector to be powered directly.
