Technical sheet

PARKSTEEL200

Steel parking stop - 200 cm - black/yellow-1800 x Ø 75

Parking stop ideal for securing, delineating, and organizing parking spaces and separating traffic lanes. Its black and yellow color makes it highly visible even from a distance. Optional 90° angle connectors allow them to be connected to each other. Made of steel with cast iron feet. Concrete or asphalt fixings not included. Can be cut and adjusted to the desired length. Available in various lengths.

Customs code	7326909890
