DETAILED DESCRIPTION

Choose a clock that combines design and eco-design, and always keeps accurate time!

Incorporating eco-designed products into your working environment (office, school, open-plan space, etc.) is a practical way to promote sustainability in everyday life and support the circular economy.

Join this initiative and make your spaces a powerful symbol of commitment to a more responsible world.

Naturalis clocks:

Made from 80% recycled and recyclable raw materials. Fully recyclable packaging, using vegetable-based inks.

And as always:

Silent movement, ideal for calm and concentration. Large, high-contrast numerals, legible from over 20 meters away. Contrasting second hand and hand tips, colour coordinated.

Plus :

Radio-controlled movement via DCF77 signal.

Dimensions : Ø 30 × 4 cm

Power supply : 1x AA LR06 battery (not included)

Available in five colours and two versions:

- Green (11360)
- Black (11361)
- Cappuccino (11362)
- Light Grey (11363)
- Natural (11364)
- Black - Radio controlled (11365)
