## RS PRO Bullet & Snap Connector Insert Tool 150 mm

RS Stock No.: 0606320

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

### RS PRO Bullet & Snap Connector Insert Tool

Used on connectors in car audio systems. a specialist tool from RS PRO, designed to make life easier.

Quickly and easily join bullet and snap connectors on a car audio system. Precisely shaped prongs and spring return make this tool perfect for everyday professional use.

A fantastic tool for car audio and home theatre enthusiasts too. Sometimes known as a snip snap tool for bullet connectors.

#### Benefits

- Connect bullet and snap connectors in seconds.
- Works quickly and reliably, every time.
- Works equally well on crimped or soldered bullet connectors.
- Lightweight and easy to use.
- Easier handling of parts due to return spring.
- Built to last, with a robust construction and rust-resistant finish.

#### Applications

This bullet & snap, or snip snap, connector insert tool is suitable for professional auto electricians and audio enthusiasts alike. Ideal for:

- Auto electricians for repairing or fitting car audio equipment connections.
- Car audio enthusiasts for changing connections when updating in-car systems.
- AV systems installers
