& UPPER SHIN, MAXIMISING PRESSURE DISTRIBUTION FOR ALL-DAY COMFORT**

Hard-wearing, shatter-resistant SnapShell™ protects the knee on the roughest terrain while enabling easy side-to-side movement. High side walls greatly reduce twisting off the knee. EVA elastic leg straps comfortably hold their place without cutting off circulation or binding behind the knee. Rugged materials and construction make these reliable knee pads withstand the most rigorous working conditions.

*All ToughBuilt products come with a two-year guarantee as standard, which can be extended to an impressive 25-years provided customers register their product within 30 days of purchasing
