

100 –5.5X75 Wood-Compo Tang Thru Screwdriver

Feel the nature in your hand

- Wooden handle and Tang-Thru shank with thick end cap.
- Large and long grip comfortable to hold.
- Fits the palm of hand as the tool is used longer. The more it is used, the more it provides great comfort
- Especially large heavy-duty end cap delivers efficiently the shock of the hammer blow.
- Black magnetic point tip.
- Unique suppleness for craftsmen passionate about natural wood
