Description

Since 1823, Norton has been the leading supplier of benchstones, files, slips, dressing sticks and rubbing bricks. Our comprehensive line of sharpening and finishing stones delivers superior performance solutions.

Features

Crystalon: Premium silicon carbide abrasive India: Smooth cutting aluminium oxide abrasive Arkansas: Natural premium Novaculite quarried in Arkansas
Pre-filled with oil (Crystalon and India only)
India: Norton's trademark for a fine finish Arkansas: Dense construction

Benefits

Crystalon: Fast cutting stone; ideal for general sharpening of cutting tools India: Ideal when a close tolerance is more important than the speed of cut Arkansas: Produces the finest edge possible + highly polished finished
Saves time by eliminating the need for pre-soaking prior to use
Arkansas: Use for finer honing after India stone
Crystalon & India: If pre-filled with oil, saves time by eliminating the need for pre-soaking prior to use Arkansas: Absorbs oil at a slower rate, hence does not require pre-filling
