Wheels Bench - 38A

Straight wheel Bench-Norton 38A-180x20x31.75-38A46LVS

Artical Number: 69936623312

EAN: 3157622963224

Description

The Norton 38A precision grinding wheels consist of a high purity aluminium oxide abrasive that is continually renews sharp cutting edges during use for good product life. Provides a good cut rate and reduced heat generation on hardened or high-speed tool steels. Ideal for heat-sensitive applications ideally in low/medium pressure applications on a range of steels and cast iron

Features & Benefits

High purity white aluminium oxide abrasive

High friability abrasive

High friability abrasive
