

Datasheet

RS Pro Inspection Bend Cable Conduit Fitting, PVC 20 (Dia.)mm nominal size

RS Stock No: **917-2084**

Product Details

RS Pro inspection bend cable conduit fitting is made of PVC and it comes with a nominal size of 20 mm. The inspection bends make it much easier to feed cables through a conduit system. An inspection window in the bend opens, allowing access, enabling the cable to feed in a straight line. This prevents bunching and stress caused by trying to feed cable around a bend.

Features and Benefits

- 20 mm nominal size
- PVC construction
- Inspection bend type fitting
- Allows easy access for cable installation
- PVC can be bonded

ENGLISH

Specifications:
