

Features

- Flexible - ideal for curved surfaces
- Easy peel self adhesive backing
- Simple and fast application
- Fixings are not required

RS PRO 180x140 label-Earth Pit Sign –Aluminium with Self Adhesive

RS Stock No.: 0806467

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- Earth pit labels identify, track, and manage earthing systems, ensuring safety and compliance on electrical sites. They facilitate easy identification for inspection, maintenance, and testing, which is critical for preventing unauthorized access and ensuring proper grounding in industrial, commercial, and solar applications
- Made using 0.3mm thick Aluminium
- Easy peel self-adhesive backing
- Simple and fast application
- Fixings are not required
- RoHS & REACH Compliant
- Part is printed, finished & packed in an ISO certified facility ISO 9001, 45001 , 14001
