- Toolbox with lift out tray for smaller tools
- Large metal rust proof latches with padlock eye
- 2x 4" drawer mid section with ball bearing slides
- Heavy duty road tested wheels
- Large metal storage bin that provides extra large capacity

Description:

The STANLEY FATMAX® Metal Plastic Rolling Workshop with heavy duty wheels is a perfect mobile storage solution, constructed from metal plastic for added durability and enhanced longevity. The unit has two 4" drawers within the mid-section which is ideal for storing accessories and small parts, the ball bearing slides enable smooth opening whilst under load. The extra-large storage capacity and lower bin is ideal for storing large bulky materials and equipment. The toolbox also has an ergonomic soft handle, sturdy metal latches and a padlock eye for added security.
