RS Stock No.: 776-0958

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS Pro 776-0958 is a pack of 100 self-adhesive protective earth/grounding labels. These vinyl stickers measure 25 x 25 mm and is green with a symbol printed in black. The 776-0958 labels are designed to identify protective conduction connecting point. This label represents an international standard and is the preferred method over text, which is often not translatable.
