RS Stock No.: 541-6898

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From our trusted RS PRO brand, these heavy-duty ratchet action cable cutters are ideal for single-core and multistrand cable alike. With a powerful double pawl ratchet, the cable cutter can adjust to many cable sizes, allow quick and neat cutting of non-armoured cables. The resulting smooth cutting action provides a clean cut with no crushing or warping of the cable.
