## RS PRO Safety Knife with Straight Blade, Retractable

RS Stock No.: 0286451

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

Squeeze Safety Knife has a spring-loaded blade that retracts automatically when pressure on the squeeze trigger is released. Plus, easy trigger squeeze technology exposes the blade and helps reduce user strain. With a blade lock to help prevent accidental blade exposure, this is a great cutting solution for corrugate, tape, and more.
