

## FEATURES

- **UV Resistant:** Ensures longevity and reliability in outdoor environments
- **High Tensile Strength of 22 kg:** Provides secure fastening for heavy-duty applications
- **300 mm Length:** Accommodates larger bundles of cables
- **4.8 mm Width:** Offers a balance between strength and flexibility
- **RoHS Compliant:** Meets safety and environmental standards
- **UL 94HB Fire Behaviour:** Provides basic flame retardancy for added safety

## RS PRO UV Protected Cable Tie, 300 mm Length

RS Stock No: 656-030

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

These RS PRO cable ties are designed for securing and organising cables efficiently. Made from durable nylon, they are ideal for both indoor and outdoor use, offering UV protection to withstand harsh environmental conditions. With a maximum bundle diameter of 83 mm, they are suitable for a wide range of applications.
