RS PRO IoT Enclosures

RS Stock No.: (0336947b)

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The RSPRO (0336947b) can be used for a variety of applications, including home temperature controllers or access control solutions.

Enclosure can be mounted on the wall to the standard flush-mounted box. It features recessed area for keypads or touch screens, a knockout plug on the bottom of the enclosure, ventilation and separate compartment for sensors that need to be separate from the electronics. Enclosure is assembled without screws.
