## RS PRO Slimline Dock Bumper 470mm Length x 270mm Width x 66mm Height SBR

Vendor Partcode.: 0688188

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

*RS PRO Slimline Dock Bumper is expertly designed to deliver superior protection for structures and vehicles in busy loading areas. Its innovative Slimline design removes the middle plate, enabling vehicles to dock closer while maintaining robust impact resistance. The sturdy backplate ensures secure, long-term installation, while the replaceable front plate allows for hassle-free maintenance.*

*Manufactured from high-quality UHMWP material, this bumper features a low friction coefficient, reducing wear on both vehicles and loading docks. For an economical alternative, NR/SBR material is available under model number 0688187, offering flexibility without compromising quality.*
