Application	Trumpets help to maintain industry standard bend radius of fibre cables exiting any horizontal straight duct, fitting or outlet.
Colour	Yellow (YE)
PART DESCRIPTION	LG-T4CXXX-YL
Product Family	4 Sided Trumpet
Product Group	Fittings
Short Description	GigaDuct Trumpet, 4 Sides, 100mm
Technical Description	GigaDuct is a robust, scalable cable management system engineered specifically for organising and protecting optical fibre cables in the data centre environment. Constructed with precision, it provides a dedicated pathway that prevents cable congestion, minimises physical stress on fibres, and facilitates efficient cable management. Whether you are setting up a new data centre or upgrading an existing one, HellermannTyton's GigaDuct offers unmatched versatility and reliability.
Type	LG-T4CXXX-YL

Product Dimensions

Height (H)	194 mm
Length (L)	100 mm
Width (W)	194 mm

Specifications

Halogen-free	Yes
Limited Fire Hazard	Yes
ROHS compliant	Yes
Reusable (Yes/No)	Yes

Specifications
