

Transport yourself into your music, movies, and games. Plug in your Logitech® Squeezebox™, gaming console, DVD player, or iPod with the Logitech® Speaker System Z323.

Overview

Experience full, 360-degree sound.

- **360-degree sound:** Also known as omnidirectional acoustics, 360-degree sound helps project sound evenly in all directions, giving you a great listening experience throughout the room.
- **Ported, down-firing subwoofer:** Delivers rich bass that brings music, movies, and games to life.
- **30 watts (RMS) of power:** Fills the room with big, bold sound.

Choose how you want to listen.

- **1 dual RCA jack and a 3.5 mm jack:** Let you easily connect a Logitech Squeezebox™ network music player, DVD player, gaming console, or iPod.
- **Integrated headphone jack:** Lets you listen in private whenever you want.
